

# GRENACHE NOIR SIERRA FOOTHILLS

Andis Wines was established in 2010 as a forward-thinking winery built with a green design. Our building is modern in look with a focus on sustainability and respect for the environment. We source fruit from our Estate as well as some of the best vineyards in the region to produce exceptional wines of character and varietal correctness.

## Winemaker Notes

Grenache is one of the most widely planted red wine grape varieties in the world and thrives in the Sierra Foothills' hot summer days. It produces rich, flavorful, and aromatic red wines with crisp acidity and similar characteristics to Pinot Noir.
