## **Andis Wines Launches Fundraiser for Junior Achievement of Sacramento**

*The Sierra Foothills winery hosts “Soup for a Cause” throughout the month of January.*

**Plymouth, CA (January 9, 2023)** – Andis Wines is offering bowls of soup to guests everyday in January as an endeavor to support the Junior Achievement of Sacramento, a nonprofit organization helping youth prepare for a successful career.

Guests can enjoy gourmet soup for \$5 a bowl. Selections of soup will change weekly from lobster bisque to a guest favorite, pumpkin sausage. All proceeds raised from the soups will be donated to the Junior Achievement of Sacramento.

“We are honored to be chosen by Andis Wines as a benefactor of this month’s ‘Soup for a Cause’ fundraiser.” said Susan Nelson, President of Junior Achievement of Sacramento.

“Their generosity allows us to help more local youth have the skillset and mindset to build thriving communities.”

With more than 103 operations across the United States, Junior Achievement is the nation’s largest organization dedicated to giving young people the knowledge and skills they need to make wise academic and economic decisions. Many of their alumni earn college degrees and even go on to start their own businesses as adults.

“When we started the winery, we became a part of this community. We didn’t want to limit ourselves to producing wine and not give back somehow. So that’s our mission. To build up our youth,” said Janis Akuna, co-founder and executive winemaker of Andis Wines.

Andis Wines has been producing award-winning wines focusing on varietal correctness in the Sierra Foothills for ten years. Founders, Andy Friedlander and Janis Akuna, purchased the vineyard with a vision to create a forward-thinking winery, built with a green design and sustainable practices.
