

2018 Andis Wines Petite Sirah

The deep purple-hued 2018 Petite Sirah (100% Petite Sirah) gives up a classic, varietal nose of dense black fruits, dark chocolate, scorched earth, and graphite. This carries to a full-bodied wine that brings ample concentration and richness yet has a notable sense of minerality, a good spine of acidity, and a great finish. It benefits from plenty of air and is going to evolve nicely for at least 4-5 years.
