Andis Wines was established in 2010 as a forward-thinking winery built with a green design. Our building is modern in look with a focus on sustainability and respect for the environment. We source fruit from our Estate as well as some of the best vineyards in the region to produce exceptional wines of character and balance.

Winemaker Notes

A blend of carefully selected Sierra Foothills grapes, 2020 Cuvee Blanc is a refreshing wine that inspires the imagination, transporting you immediately to the Mediterranean Coast. This wine reveals classic aromatic notes of lemon zest, green apples, fresh white peach, and acacia flower petals. It shows harmony, lively acidity, and dryness with wonderful fruit flavors accompanied by minerality. On the palate, its elegant light body makes this wine perfect for that warm summer day.
