WINES

## 2013 ZINFANDEL

### WINEMAKER NOTES

Our Amador Zinfandel is sourced from the diversity of vineyards and micro climates that dot Amador County. We bring together some of Amador's traditional grape varieties to compose a wine very similar to what was likely being grown here in the late 1800's.

2013 was a gift of a harvest, allowing time for the complexity of the grape to develop, but still maintain balance

Dried berries, boysenberry, and blackberry fruit flavors are followed nicely with hints of coffee and oak.

A tasty wine with any fare, we recommend blue cheese burgers, hearty spaghetti, and almost any kind of cheese.

*"A fun, savory, meaty zin that will be great at the table."*
