

ANDIS WINES

2014 BARBERA

WINEMAKER NOTES

Barbera is the classic Amador grape that's simply delicious vintage after vintage and the easiest wine choice you will make all week. No other varietal captures the beauty of the Sierra Foothills.

The 2014 Amador Barbera shows an elegant balance of power and grace, bursting with aromas of tea, raspberry and cherry. It bathes the palate in a gorgeous mélange of ripe red fruit and hints of pepper.

A wonderful companion for virtually any meal, Barbera shines with pizza, pasta with roasted tomato sauce, grilled meats any Italian dishes, or simply on its own.
