

ANDIS WINES

2015 PAINTED FIELDS RED BLEND

WINEMAKER NOTES

Popular Hawaiian artist Kelly Sueda created this original label of the vineyards surrounding the winery. His personal interpretations of Hawaii's many natural wonders have made his work a favorite among art lovers and collectors. Here, Kelly blends observation of Amador's agriculture with imagination, the same partnership that makes great wine possible.

We seek the best vineyards in the region to create a blend with complexity and terroir driven.

This is a smooth-textured and well-balanced wine. It smells a little smoky, but tastes moderately crisp and tannic, with ripe fruit favors to balance out the tartness.
