2016 BARBERA d' AMADOR

WINEMAKER NOTES

Andis Wines was established in 2010 as a forward-thinking winery built with a green design. Our building is modern in look with a focus on sustainability and respect for the environment.

We source fruit from the Estate as well as some of the best vineyards in the region to produce exceptional wines of character and varietal correctness.

Barbera is an Italian grape variety that made its way to Amador County during the Gold Rush of the 1850's and still thrives here today. The variety's natural acidity and deep color make it a great option for blends but also a wonderful stand-alone wine with characteristics of cherry, raspberry and vanilla.
