2016 CABERNET FRANC HAWK CREEK VINEYARD

WINEMAKER NOTES

Sourced from a high elevation vineyard in the Fairplay AVA of El Dorado County where the growing seasons are long, wines from this region develop full flavors and intense color. The Josephine soils of Hawk Creek Vineyard produce a Cabernet Franc that is very true to the varietal.

Characteristics of red plum, dried herbs and smoky black pepper create a beautiful wine to pair with red meats and pizza.

"Dark fruit flavors with a welcome sense of ripeness make this full-bodied wine feel generous and easy on the palate. It has soft tannins that let its black plum and blueberry flavors fan out and linger on the finish." -- Jim Gordon, WINE ENTHUSIAST (2014 Vintage)
